MEMORANDUM FOR THE RECORD

SUBJECT: *Concurrence in Letter Contract No. MH-250 (AF33(600)-37730)*

25X1A5a1

1. This memorandum contains a recommendation submitted for approval of the Special Assistant to the Director for Planning and Development. Such recommendation is set forth in Paragraph 5.

2. This letter contract covers work as set forth in the Exhibit attached to the contract. It is a fixed price type contract requiring a written report on the Spin Stabilized Version.

25X1A1a

3. An amount of *FOIA b7* of COMONA 1958 Fiscal Year funds should be obligated for this work. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

5. Approval of Letter Contract No. MH-250 and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
